

The Catholic Women's League of Canada
Alberta Mackenzie Provincial Council

Christian Family Life article for Fall Newsletter (September 2010)

A report “Bearing the Brunt: How the 2008-2009 Recession Created Poverty for Canadian Families” is available online at <http://www.ccsd.ca/recession_increases_poverty.pdf>.

Now that Bill C-384 has been defeated we must focus on providing good palliative care and insist that the Government does so, too.

We need to continue praying for all our seminarians, as they are our future leaders.

I recommend that each council sign up for the Alberta Pro-Life Newsletter on line at : <www.albertaprolife.com>.

We should find out if there are Youth preparing for World Youth Day (WYD) to be held in Madrid, Spain and be prepared to support them financially.

The Catholic Girls’ League is very vibrant in this Province, and there are many strides to increase the number of councils. If you need help please call me.

Yvette F., Chair, Provincial Christian Family Life Standing Committee
