

The Catholic Women's League of Canada  
Alberta Mackenzie Provincial Council

**COMMUNITY LIFE STANDING COMMITTEE**  
**Communique #3** (Nov.7/15)

"COP21 is a critical junction and has the potential to be a real turning point for climate change policy, and the fate of the earth." This quote comes from Citizens for Public Justice <[www.cpj.ca/un-climate-summit-2015](http://www.cpj.ca/un-climate-summit-2015)>. COP21 is the 21<sup>st</sup> Conference of Parties in Paris.

November 30 to December 11 are the dates that the world leaders will gather in Paris for the United Nations Climate Conference. Citizens for Public Justice urge us to pray and act for climate justice during this very important conference.

Access the following resources: Worship for Climate Justice; Pray for Climate Justice through Prayer Chain; Act for Climate Justice - Sign The Call at the website for Citizens for Public Justice <[www.cpj.ca/climate](http://www.cpj.ca/climate)>.

Following the release of the election guide from Development and Peace, the Liberal Party of Canada sent a formal response. There were 10 questions regarding International Aid and Climate Change. You may view this response at <[www.devp.org](http://www.devp.org)>.

During the days of action, October 23, 24 & 25, our diocesan community life chairs invited members to pray for climate change. Some parishes held vigils to show support.

November 29 will be Global Day of Action. This will be on the eve of the meeting in Paris when climate marches will be organized world-wide. Will you be a part of the action by organizing a group march in your local parish?

Pope Francis, through his encyclical *Laudato Si'*, has chosen this crucial year to call on every living person to act on climate change and protect our common home.

Are you ready to make a personal commitment for change?

We would like to hear from you. Please send us information on your activities to share with our CWL Sisters.

*Carol S.*
