Alberta Mackenzie Provincial Council

Provincial Past President Annual Report 2014

Dorothy Johansen

“Joy is the river flowing through my life.”

Diocesan Past Presidents: Calgary – Suzanne Sherry
 Edmonton – Gladys Brown
 Grouard-McLennan – Mary Antonio
 Mackenzie-Fort Smith – Joan Langevin
 St. Paul – Lynne Rypien

It has been an interesting time for both the Diocesan and Provincial past presidents in the Alberta Mackenzie Province. In most cases, the past president has been exceedingly helpful as a consultant in the matters of the League. And where, due to health concerns that made her unavailable, the executive consulted with experienced members or Life Members to provide the required support.

Usage of the Manual of Policy and Procedure and the Convention Planning Manual have allowed us to suggest changes that may make policies and practices more clear and concise to all members.

Provincial materials are being saved at the current time, so that they can be catalogued and placed into archives in the next two years.

A letter was received from a council concerning the League Crest, and a response was provided to assist them in preparing a proposed revision to the Constitution and Bylaws.

The Alberta Mackenzie Provincial council elections will be taking place in 2015 and all the Diocesan President's will also be newly elected, so we expect even more enthusiasm and excitement for the League in the Province in the future!
