Diocesan Councils reported that members continue to research and use information and sample letters that were sent by the Provincial chair on relevant Resolutions.

Another Diocese said that the councils were busy writing letters to MPs and MLAs on the most recent Resolutions passed at National about Employment Benefits for Adoptive mothers. One council has prepared a Resolution for this year on Improvement and Diagnostic Treatment of Lyme Disease.

Another Diocese says that they discussed the latest Resolutions and followed the action plan. The ladies also reviewed previous Resolutions and took action.

Many councils reported that they reviewed previous Resolutions such as Criminalization of the Purchasing of Sexual Services, Children of Missing and Murdered Aboriginal Women ,and the Prohibition of Practices as regards to Human Reproductive Material.

The Resolution that concerned internet pornography and exploitation of children also got the members to write letters to pertinent Members of Parliament.

Another Diocese reported councils studying the Resolutions that have been previously passed. The members also wrote letters, emails and made phone calls to MPs, MLAs and Civic Officials concerning the Resolutions from 2012 National Convention.

One way to express our new theme "We have seen the Lord" is by developing Resolutions concerning issues of the People of God.
