RESOLUTIONS COMMUNIQUÉ
OCTOBER 2011

There were four resolutions passed at the National Convention August 2011.

Resolution 2011.01 Prohibition of Practices re Human Reproductive Material
Resolution 2011.02 Children of Missing and Murdered Aboriginal Women
Resolution 2011.03 National Organ and Tissue Donation and Transplantation Registry
Resolution 2011.04 Caffeine in Energy Drinks

All of these resolutions have action plans (see *The Canadian League*, Fall 2011 issue). Most of these require letter writing to our Members of Parliament.

I have attached sample letters which should be in your own handwriting, but if you are okay with typing it, that is fine. I also have attached a list of the Members of Parliament in Alberta. You may write to any or all – choosing the one in your constituency would be most valuable.

Please have writing campaigns at your meetings and gather them and send as soon as possible. We need to flood the desks and get the Government working while they are in session.
