

CWL ABMK Spiritual Development Standing Committee  
Communique #1 – May 2010

Dear Sisters in the League,

I am looking forward to meeting many of you at the Provincial Convention at the end of May. After reading the Annual Reports submitted by your Diocesan Spiritual Development Chairs I am always so thankful for the work that is done in the parish councils.

At the Workshop Session for Spiritual Development I would like to invite those attending to bring copies or samples of programs used in your council to share with the group. There are many wonderful programs being used and developed at the council level that I think it would be a shame not to pass on this collective information. It is always nice to have new ideas to try in our councils and to see how another council has presented a spiritual program or prayer.

In January at the Provincial Executive meeting it was discussed that the councils would be asked to send pictures of their Spiritual Advisors and members of their councils for a PowerPoint presentation to be shown during the convention. I ask that you please forward these as soon as possible so I can put them into the program. These can either be mailed or preferably emailed to my attention.

The Year of the Priest is drawing to a close on June 19, 2010 and I encourage you to continue to pray for our priests.

I also request that you pray for the FCJ (Faithful Companions of Jesus) Sisters as they celebrate their 125<sup>th</sup> Anniversary in Calgary. They have planned many celebratory events and these may be viewed at [www.fcjsisters.ca/fcjcentre](http://www.fcjsisters.ca/fcjcentre). Brochures and pamphlets from the FCJ Christian Life Centre will be available for your information at convention.

Blessings,  
*Gloria L.*
