

ALBERTA MACKENZIE PROVINCAL COUNCIL

Catholic Women's League of Canada
June 2, 2018 Resolutions Oral Report
Sharon Malec, Chair

Madame President,

This year has been a reorganizing year for the Resolution Chair. The process of setting up a resolutions page on the website(www.cwl.ab.ca) has begun. It will eventually have the brochure, checklist and the resolutions that have been passed at the provincial level. It is being modeled on the national website. The resolutions of 2007, and 2013 to 2016 have been retrieved. If you have any hiding in your CWL boxes at home or at your council, please forward them.

The resolution brochure and checklist has been prepared. There is a master copy at the Resolution table. If you would like more information, please contact me for more.

A permanent resolution committee is being established. There has been a great deal of interest by sisters that would like to serve on this on this PRESTIGIOUS committee. If you would like the honor of being on this committee, please submit your name to abmkprovres@gmail.com.

As we travel forward in the League, there have been inquiries as to a Resolution Workshop. We would like to offer one in Edmonton and Calgary. This would entail small groups of fun filled women that want to initiate the preparation of a resolution that is in line with our mission as members of the CWL. The initial agenda is being worked on and additions will be gratefully accepted. Ask yourself and your council if you have any burning issues that you would like to address. Now is the time to start the process for a resolution.

Remember that until a resolution is retired, it is till active and we can continue to participate in the action plans. Our governments tend to get complacent. They need to be reminded that the Catholic Women's League of Canada is an active group of ladies that takes the needs of our ladies, families and parishes as a major issue. We need action by the government.

I submit my report. Are there any questions?

Sharon Malec
