ADVENT

Be Awake! Be Ready. This is the day the Lord has made. Let us rejoice and be glad in it. Just like that Advent is upon us. For the last several months we have been pre-occupied with COVID-19 as it has taken up most of our waking hours. Did you sanitize? Wear your mask! Stay home if you were sick!

It has framed our lives since April. Now God is saying, "Time Out!" "I am giving you this season of Advent so you can give everything that preoccupies you to me! Let me deal with the unknown and you start dealing with the known. This is a time of readiness...preparing to meet me not only at Christmas but possibly today. Reflect! How do you love me? How can you love someone you can't see if you don't love your neighbor who do see? How do you keep the light of my son burning in your home? How are you being an intentional Christian? How are you being an intentional member of the Catholic Women's League of Canada? How are you growing your relationship with others? Now is the time to reconnect!

Pray! Sacrifice! Forgive.! Live my word; just don't read it. Move to selflessness from selfishness. Make others' lives better through intentional corporal works of mercy. Repair your broken relationships. Now is the time to act for you don't know the time or place when I will come and visit you. Make room for me as you prepare to celebrate this Christmas in your home. Be grateful for your blessings as everything comes from me. As you surrender your heart to me the creator of heaven and earth and prepare to celebrate my great feast Christmas through your intentional preparations you will be ready to welcome me to your table with gratefulness and thanksgiving.

Have a very fruitful Advent
